## Distribution of FCC Form 320

In the past, the FCC has traditionally mailed out FCC Form 320 (Basic Signal Leakage Performance Report) directly to the cable operators and others required to submit the report. From now on, however, the FCC will no longer be mailing out FCC Form 320. Instead, the form can be downloaded and/or printed from the Media Bureau's Engineering Division website at **<http://www.fcc.gov/mb/engineering/form320-e.dot>** for Microsoft Word format, **<http://www.fcc.gov/mb/engineering/320.pdf>** for PDF format or **<http://www.fcc.gov/mb/engineering/320e.pdf>** for editable PDF format.

Alternatively, blank copies of the form may be obtained from the FCC Form Contractor by calling 1-800-418-3676.
